

NYLT

Green Mountain Council's National Youth Leadership Training

Personal Equipment List

At NYLT, we always wear the Scouts BSA field uniform or the NYLT activity uniform.

The field uniform consists of an official short-sleeved uniform shirt with insignia correctly placed, your units neck wear, official uniform pants/shorts, official belt, and official socks. The activity uniform is the same, except that a NYLT course t-shirt is worn instead of the short sleeve shirt and neckerchief.

One NYLT course t-shirt and one NYLT hat will be provided at registration. You should arrive at camp in field uniform, with all insignia properly placed.

Be prepared for an overnight hike/outpost as well as living in camp. At least one pair of shoes must be suitable for hiking. Place your name on all clothing and personal items. Any items that you do not own, please borrow.

A hiking backpack is required for getting all your gear from the parking lot to the campsite and for the Outpost.

Participants must not use suitcases, footlockers, trunks, duffle bags, or Rubbermaid containers.
