WHY SHOULD A BOY SCOUT SPEND A WEEK AT THE READ SCOUT RESERVATION?

Boy Scout summer camp is a unique blend of adventure and personal growth. No where else in Scouting does a youth see the physical and mental challenges, presented in an atmosphere of fun, that are common each day in camp.

During summer camp Scouts complete more advancement, learn more and have more new experiences than they do at any time during the rest of year. Summer camp is a special time of year for every Scout.

Read offers more than any other camp in our area; outstanding first year camper and merit badge programs, horses, COPE, rock climbing, rappelling, an indoor climbing wall, white water rafting and caving.

Outstanding staff plus all of these programs equal the finest program for Scouts.

One of the many strengths of Read is its outstanding camp staff. Many of the staff returns each year to serve youth yet again. This makes for an experienced and service-driven staff whose only goal is to provide the best experience possible for each boy in camp. Staff maturity, experience, training and flexibility lead to a smooth experience for you and your boys. All of the additional activities create a complex program. We need this staff to come through and they do! From merit badges to Project COPE; they deliver, day after day.

CURTIS S. READ SCOUT RESERVATION

The Curtis S. Read Scout Reservation is one of America's premier Scout Camps. This picturesque 1,000 acre property is located north of Lake George, New York in the six million acre Adirondack Park. The outstanding facility features three camps that offer all styles of Scout camping - Dining Hall feeding, Patrol Cooking and week-long Treks. If you desire more than one of these options, it can always be arranged.

The key to the success of Read is dedication to each Scout. Flexibility is our word to live by as we deliver the finest program available for youth.

CAMP WITH YOUR TROOP AND/OR AS AN INDIVIDUAL CAMPER

If your Scout is active in a Westchester-Putnam Council troop, chances are his troop is going to Read this summer. Please make sure he makes every effort to go and he can attend extra weeks as an individual camper. If his troop is not attending Read, he can still go as an individual or "provisional" camper. Each week we form a troop of individuals in our dining hall camp under the leadership of experienced staff members. He will participate in advancement and program activities. Send in the application on the back cover of this brochure to register him as an individual camper.
