**Re:** 2009 Camp Season Update

---

As you have read, Mt Norris Scout Reservation will not be offering a summer camp program this summer. We are as surprised as you are to this news. One of the responsibilities of the Camping Department of the Council is to make sure each Scout can have a summer camp experience. That obligation has not changed and we have been working to give you as many options as we can for the upcoming summer. We strongly encourage you to adjust your plans and attend a BSA operated camp in one of our neighboring Councils.

1. All fees paid to the Green Mountain Council will be refunded to your Troop.
2. The Council will honor all Camperships given for Mt Norris to whatever BSA operated camp you decided to attend.
3. To help you decide what BSA Camps are available, we have contacted many of the Council's that surround Vermont. You are encouraged to check out the information we are gathering by going to [www.scoutingvermont.org/2009campoptions](http://www.scoutingvermont.org/2009campoptions) . It is very important that you make this decision quickly. Many camps are filling up and any price adjustments we have been able to secure for you are only good thru May 31.
4. We understand that changing your summer camp plans is hard. We are here to help and will do all we can to make sure your Troop is able to attend a BSA Summer Camp this year.
