

# **Webelos Woods 2017**

## **Program Information**

### **June 16-18, 2017**

Webelos Woods is a great opportunity for a pack/den campout at Mt. Norris Scout Reservation in Eden, VT. It will start with registration at 6:00 p.m. on Friday, June 16 and continue through Sunday, June 18. It is a program that offers a variety of fun outdoor activities presented by local Boys Scout and Scouters.

All Webelos and Arrow of Light Scouts, their leaders and parents are invited. Scouts will be under the supervision of their leaders, parents or designated adult. Pack/Den leaders are responsible to make sure they maintain two-deep leadership. There will be two separate programs offered; one for Scouts and one for adults.

**Scout Oath and Law** – The Scout Oath and Law will be the rule of the event. All Scouts and adults are expected to conduct themselves accordingly. All aspects of the BSA Guide to Safe Scouting apply.

**Medical Forms** – Each participant will need a completed and current BSA medical form that includes Parts A and B. Forms are available on the Green Mountain Council Website ([www.scoutingvermont.org](http://www.scoutingvermont.org)). Each Pack/Den should have an adult to check the accuracy of each participant's form and confirm this at check in. These are extremely important in case of emergency.

**Meals** –All meals are on your own. We suggest you take this opportunity to explore the cooking advancement requirements in the handbook. The Cast Iron Chef adventure includes sample recipes with additional in the Getaway adventure. Be sure to involve the Scouts in your meal planning. Check out Webelos Cast Iron Chef #1, 2 and Elective: Getaway #1a.

**Tents** – Everyone needs to bring and set up their own tent. Be sure to involve the Scouts in your campout planning. Check out Arrow of Light Camper #2 and 3.

**Vehicles** – You will be allowed to bring vehicles down to camp for unloading and loading only. Troop/Pack trailers can be parked in the campsite but all vehicles must be returned to the parking lot.

**Patrol Method** – For the morning and afternoon activity periods, Scouts will be divided into patrols.

**Uniform** – One of the methods by which Scouting achieves its aims is through the uniform. Scouts and leaders should be in Field (Class A) Uniform for the opening/closing ceremonies, campfire and Scout's Own Service. An Activity (Class B) Uniform, may be worn at all other times. **Closed-toe shoes are required at all times.**

**Fishing** – You may go fishing during the Open Activities period. You must bring your own equipment. See Keith Mullins or another qualified staff members for where you may fish.

## **WORTH A REMINDER TO UNIT LEADERS**

- Everyone in camp **must** have a completed and up to date Medical Form, Parts A and B. This includes nonregistered parents who accompany their Scouts.
- Plan/bring food and cooking equipment for your unit.
- You may use above ground fire pits at your campsite. There is firewood available.
- Use of propane or other camp stoves is restricted to adults only. You are welcome to bring these to aid in your cooking, but Scouts cannot operate them. Scouts, of course, can cook using them.
- Drinking water is available at the campsites, but you may wish to bring a container to carry it to where you are cooking, doing meal prep and cleaning up.
- The weather in June at Mt. Norris is highly variable. Your Scouts should be prepared for a wide range of temperatures anywhere from 30 to 90 and rain happens frequently as well.

### **Packing List – Webelos Handbook page 154**

#### **The Scout Basic Essentials\* (Things You Should Take on Every Outing)**

- |  |                           |
