

2019 Spring Camporee

Sci-Fi Evolution

Planet Earth, year 2477 your planet has been united for many years but now it has broken into a civil war yet again. Your patrol gets recruited by one of the major factions and your job is to get credits and prepare your patrol for the major battle that will happen at exactly 15:00 April 27.

It would be cool but is not required that you have a sci-fi name for your patrol. There are only a few rules, Be honest, Be nice, Be safe, Have fun.

Things to bring

- 1) Adult leaders are required.
- 2) Tents and appropriate camping gear.
- 3) Each troop: One sci-fi or Scouting skills activity for troop/patrol morning activities (competitions)
- 4) All meals while at the camporee are the responsibility of each troop
- 5) Troop calendar (for afternoon discussion session)
- 6) During closing campfire each unit will have an opportunity to present a short skit. It's best if these are prepared ahead of time—and even cooler if they tie into the Sci-Fi Evolution theme.
- 7) We will have a flag retirement ceremony during closing campfire—please bring any flags you have that need to be retired.
