

# Attention All Cub Scouts

The Green Mountain Council is committed to providing Cub Scouts with exciting and quality programs year round. One of the best experiences a Cub Scout can get is Resident Summer Camp. Camp Sunrise is a beautiful property nestled between Lake Sunset and Lake Sunrise in Benson, Vermont. In 1923 the Bush Family gifted over 100 acres to the Scouts of Vermont and since that time Camp Sunrise has changed the lives of thousands of Scouts young and old! Camp Sunrise offers one of the few remaining week long resident camps for Cub Scouts in the country. **Scouts will have fun, learn life skills, learn sportsmanship, achieve advancements, participate in patriotic ceremonies and learn responsibility and citizenship!** Join us for an exciting and event filled summer in 2019. The Camp Staff are excited and already planning programs and activities for the **Space – Outta This World**. The 2018 season was such a success that we are continuing with four full weeks to choose from. Space is limited to maintain the quality of our program. **Sign Up Now!**

**July 7 - 12**

**July 14 - 19**

**July 21 - 26**

**July 28 - August 2**

Four Sessions to Choose From:

Our program and facilities are accredited on an annual basis. Our medical team is top notch! Don't let medical challenges be an issue. We have EMTs, a Registered Nurse and a Medical Doctor on Staff. We can handle most anything from severe allergies to fragile diabetics. Check us out. You won't be disappointed!
