

Mt Norris 2019 WEEK FIVE!
August 4-9, 2019

A program so big it can't be contained in Four Weeks! We'll have troop camping with the same great program as weeks one through four, plus Mount Norris Scout Reservation welcomes provisional scouts (Scouts BSA and Venturers) to the fifth year of our Specialty Week program.

In 2019 we introduce a new track, First Responder, along with the old favorites, Trades and Trail to Eagle.

The **First Responder** track will include selected merit badges related to safety and careers in law enforcement, emergency services, and the medical fields.

How do you escape a burning building? Do you have a plan? Have you searched for someone in the woods, in the dark? What would you do if you came across an auto accident? Take "Be Prepared" to a whole new level!

Does your Scout want a second week at Mt Norris in the traditional program or the Specialty Week? Come back for a "Second Helping!"

The **Trades** track this year is about service! Work with the Mount Norris Scout Reservation Alumni Association to build a project for the camp. Merit badges planned include Woodworking, Plumbing, and Electricity. Participants will engage in hands on work with experts in their fields.

The **Trail to Eagle** track continues in 2019, with an emphasis on Eagle-Required merit badges alongside practical advice on the Eagle process from recent Eagle Scouts and experienced leaders.

Specialty Week extends beyond the boundaries of Mount Norris! Field trips to a fire station and law enforcement offices are planned.

Note: Merit Badges subject to volunteer instructor availability. Substitutions may occur. Field trips will depend on weather and availability.

Have you already done Specialty Week? Have you already earned one or more of the badges in your track? If so, you can mix-and-match from the tracks to make sure you're always doing something new and exciting!

To get the most out of this camp, Scouts should be at least 13, achieved the rank of First Class, and have had at least one long-term summer camp experience. Venturers should have at least one long term camping experience. This week is not for first year campers. Campers will be placed in provisional units with experienced and trained leaders, and will be immersed in activities related to their specialty track.

For more information on how to be part of the 2019 summer camp experience at Mt Norris, contact Camp Director Clint Buxton (clint.buxton@gmail.com) or the Green Mountain Council Service Center at 802-244-5189 or by contacting Scout Executive, Ed McCollin (edward.mccollin@scouting.org)

Mt Norris Scout Reservation Specialty Week

August 4 to August 9, 2019

Registration Form – Please print legibly

The first payment of \$100 per person needs to accompany this form to the Council Service Center.
