

National Summertime Pack Award 2020

To provide recognition for Cub Scout summer activities, despite the circumstances that have made it difficult for Packs to meet in person and do activities altogether, the requirements for this award have been changed in Green Mountain Council.

**** For Pack and Den recognition:** Rather than executing one activity each month in June, July, and August, this award will be granted for three Pack activities completed at any time within that three-month time period.

**** For individual Cub recognition:** Rather than requiring a youth to participate in three Pack activities, Cubs can be recognized for participating in a minimum of one Pack activity plus two Scouting or Scout-like activities with their family during that time. The unit leader may give credit, for example, for participating in a virtual camporee, going on a 1-mile hike, completing Day Camp in a Box, or camping with their family.

Use the front of this form to record the Pack activities and participation in each. Use the back to record the Cubs' activities.
