A Weekend just for Webelos at Mt. Norris Scout Reservation

All first- and second-year Webelos Scouts, their leaders, and parents are invited to Mt. Norris for a day and night(s) of Scouting fun!

Come as a Pack with your dens and begin fulfilling summer adventure requirements for den camping, outdoor cooking, knot tying, and more! And what better place than at Mt. Norris Scout Reservation?

Webelos are to come with their own gear, set up their own tents, cook their own food, and enjoy the company of Scouts BSA who will run skill stations and lead games, much like a Camporee— all under the guidance of experienced Scout leaders who can help work out the rough spots if this is your leaders' first den campout. In addition to advancement-related activities, Scouts will get a feel for what Scout camp will be like through tours of Mt. Norris, BB and archery shooting, a campfire program, and more!

Camp for one night or two! Check-in begins at 6:30 p.m. on Friday. Saturday morning registration begins at 7:45 a.m. Opening ceremony is at 8:20 a.m. There will be activity stations all day Saturday, an evening program, and a nondenominational Sunday morning service. Check-out is by 10:00 a.m. on Sunday.
