EQUIPMENT TO TAKE TO CAMP

This is a suggested list of equipment for an enjoyable stay at camp. It does get rather cool in the evenings, and each boy should be prepared for this, also footlockers are recommended over duffel bags and packs, as they are easier to keep organized, can be locked and some slide right under the bunks. It is a good idea to label items with your name and pack number.

CLOTHING

___ Complete Cub Scout Summer Uniform
___ Underwear for a week
