GENERAL INFORMATION

1. All Scouts, Leaders, Scouters and visitors should adhere to the Scout Oath, Scout Laws as the rules governing their behavior on the event property. Please set up campsite with Leave No Trace and Tread Lightly Principles in mind.
2. All Scouts, Leaders, Scouters, Volunteers, Persons and Guests are required to register at the Camp Office located at the front entrance. Make sure parents/guardians know the troop/pack number and the name of the unit leader(s) in attendance.
3. The use of mind-altering substances (including alcoholic beverages) by adult or youth members will result in the immediate dismissal from the Camporee site. Parents will be notified to come and pick up their scout. There will be no refund if removed for this purpose or any purpose that violates said rules.
4. Smoking is only allowed in the designated areas that will be clearly marked. Smoking in the bathrooms, on trails, or in campsites is not allowed! Unit leaders will inform parents and other leaders.
5. Only 1 motorized vehicle per troop will be permitted to enter the Camporee grounds on Friday to unload equipment only. They will then be parked in the designated parking areas, no exceptions. No vehicles will remain in campsites. Only 1 Troop trailer, per unit, will be allowed to remain in campsites. The unit leader will ultimately be responsible for cars in their area. Special exceptions for medical reasons can be made with prior approval of the GMC2020 committee.
6. Units attending the Camporee will have at least 2 registered adult leaders in attendance. All adult leaders will camp with their troop/pack. If the unit is unable to provide 2 leaders please let us know so we can make arrangements for you to buddy-up with another unit.
7. We need registered leaders to work at activity stations for a few hours. A Volunteer Coordinator will keep a list of those that signed up and where they will help. Please email Kween Kristy at k_walker333@yahoo.com letting her know how many hours you will be able to help. Also mention any interests or specialties. For example if you are a contractor and have tools you could help set up the obstacle courses.
8. All Scouts will remain on the Camporee grounds throughout the event. If there are compelling reasons or emergencies for leaving, permission must be secured at the Camp Ranger Station.
9. Scouts should use the "buddy system" when outside their assigned campsite.
10. All units may do their own cooking/heating of water with charcoal, wood or propane. It is mandated that if wood or charcoal fires are used, a burn container be brought to protect the ground. In case of a fire ban, alternate methods of cooking should be planned. (See "FIRES" Section on following page)
11. Units will furnish their own garbage bags and properly dispose of them. Be prepared to pack your trash out.
12. Approved lanterns may be used in campsites. Only electric lanterns or flashlights are to be used outside the unit site. Generators will not be permitted on the Camporee grounds.

13. Council Event Insurance covers accidents only. It does not cover normal sickness. All youth and adults that are registered with the BSA and the Camporee Committee will be covered. Report each accident/incident immediately to a committee member, Spartan Ranger Station or at a First Aid Station. Safety is our #1 concern.

CAMPOREE SERVICES

- Porta-potties throughout the area.
- First Aid: Medical building and personnel. Hospital is 8 miles away.
- Trading Post with camporee memorabilia, Scout gear, snacks, etc.
- There are water spigots throughout the camporee area, however it is suggested that you bring enough to drink.

CAMPOREE POLICIES

VEHICLES:

- 5 mph maximum speed limit
- Parking in designated areas only
- Emergency and service vehicles only in the camp areas during the Camporee
- Please use designated routes
- No one is permitted to ride in the back of pickup trucks, on trailers, or as passengers on ATVs (unless ATV is built to carry a passenger.) To meet the needs of the event Council/Camporee staff may need to utilize an ATV. Please yield to them and allow them to pass quickly.

PROHIBITED ACTIVITIES:

- NO Consumption of alcoholic beverages or illegal drugs
- NO Possession of firearms or weapons
- NO Use of tobacco products by minors or in non-designated areas
- NO Possession or detonation of fireworks by a participant
- NO Gambling of any form
- NO Open ground fires in any campsite (must be an approved raised fire pit)
- NO Flames in tents (no gas lanterns)

A serious violation of the Scout Law or behavior policy may result in expulsion from the camporee at the participant's own expense. All decisions will be final. Serious and/or repetitive behavior violations by youth, including the use of tobacco, cheating, stealing, dishonesty, swearing, fighting, and cursing, will result in expulsion from the camporee or serious disciplinary action and loss of privileges. The camporee directors must be contacted for the expulsion procedure to be invoked. There are no exceptions.

COOK FIRES

We aren't camping in the woods, the camping area is on well-groomed grass. It is important that we do not singe the grass. The Caledonia County Fair Association will allow us to have small cook fires under very strict guidelines;

- There will be NO ground fires or fire pits dug into the ground.
- If you wish to cook meals at the campsite, for quickness and ease it is recommended that you bring a BBQ grill.
- Each unit is responsible to bring their own wood as well as take home the wood left over.
- Portable raised fire pits are acceptable as long as they do not singe the grass. Please try them at home to ensure they will not damage the grass. Please raise your fire pit accordingly. It takes only 1 wrong to lose the privilege for all.
- NO firewood brought in from outside the state of Vermont. Go to the website DONTMOVEFIREWOOD.ORG for further instruction and understanding.
- All wood coming in from outside of Vermont must be kiln dried boards or planks.
- Each unit will have an approved fire extinguisher readily available to immediately extinguish the fire in case of emergency.
- Firepits are for cooking purposes only. No late night fires.
- Unless there is a responsible adult watching the fire, there will be no fire. An unattended and/or smoldering fire is not allowed if no one is at camp.
- Fires must be completely extinguished by 11:00pm. Propane devices will be shut off at the tank.

YOUTH PROTECTION

- All Scout leaders must be current in Youth Protection Certification training prior to attending the Camporee and the guidelines therein must be followed. If you're not sure about having a current certification, take it again!
- Zero tolerance of bullying, hazing, or harassment or any other abuse.
- Any suspected instances are to be reported immediately to the Camporee Committee staff or other Council official.
- The Scout Executive or his/her designee will deal with all reported occurrences.
- "2-Deep Leadership" means 2 QUALIFIED REGISTERED adult leaders must be in the camporee area with the Scouts of each unit. One of the adult leaders must be over 21 years of age while the second must be at least 18 years old. The senior adult should be the registered Scoutmaster, Cubmaster or Assistant. If this individual is unable to attend, the unit committee must name an individual to act as "Camporee Scoutmaster." You may arrange rotating adult leadership, but all rotating leaders must be registered with the BSA. If you have a very small number of youth and leadership is a problem, consider doubling up with another small unit from your District. If you are having problems meeting this requirement, please contact the Camporee Committee for assistance within 10 days before the event.
- Buddy System. Each Scout is to be with a 'buddy' at all times while at the Camporee. They should be attending the same activities together. Scouts may rotate 'buddies' to fulfill their desires, but they must be with a 'buddy' at all times when away from their campsite. Scouts must be thoroughly taught this concept.
- Additionally, Scouts are not permitted out of the normal activity areas of the Camporee without the unit leader knowledge.

PATCH TRADING

- There will be an area designated for patch trading.
- Traders may set up a blanket with patches they wish to trade.
- Trading is permitted between youth and youth OR adult and adult. Trading is not permitted between a youth and adult.
- Patches will not be sold for money.
- In keeping with the Scouting spirit, it is encouraged that fair trades are completed with a handshake.

SCOUT UNIFORM

The BSA uniform sets a standard, promotes the group spirit, and designates equality from the start. At the Camporee, the official Scout Uniform is appropriate dress at certain times during the Camporee. We ask all Scouts and Leaders to be in Class A uniform for Saturday morning's opening ceremony and for religious services on Sunday morning.

Footwear will be sneaker type, boots, or leather shoes. For safety reasons NO SANDALS. FLIP FLOPS or open-toed shoes will be allowed.

SPARTAN DRESS “SPECTACULAR SPARTANS”

To fulfill the fantasy of time travel, we only need to add a couple fine touches to the Green Mountain Council 2020 Spring Camporee. Any excuse to walk around dressed like a Spartan is a good one. It is not required, but those units that do will be eligible to compete in a spectacular event.

Each unit must come up with an original patrol name. To make it more fitting to the event it will be called a “Regiment”. Your regiment will have its own battle cry, regimental flag and uniforms.

Usually we have held competitions that involved best dressed unit or similar contests. Why should this event be any different? With 1,300 Scouts and leaders dressed in period clothing it would astound even the smartest historians.

Here’s what you need to do;

1. The regiment will have to come up with a "Battle Cry". When the smoke is heavy and the screams of the enemy are deafening, this will be the only way to rally yourselves at a moment's notice.
2. Come up with a Regiment Name; Something similar to "Rutland Rangers", "Swanton Swamp Rats", "Danville Devil Dawgs", "White River Floaters", "Burlington City Slickers", etc...
3. Make and bring a regimental flag. Something that will identify you from the others. Flag should be no larger than 6 feet long and 4 feet high. Your regiment will carry it wherever they go.
4. All regiments are encouraged to wear shirts/uniforms representative of their regiment's nickname. Get creative and have your regiment names on them. Sew on patches, print your regiment's name, etc... These are your uniforms for the weekend, wear them proudly. Flags, shirts and battle cries need to be acceptable and not offensive.
5. Please consider using a medium to dark color. For reasons that should need to be explained, white and light colored t-shirts are discouraged, especially if it is raining.
6. Spartan uniforms/costumes must be worn in a way that is not revealing, provoking or offensive. (nuff said).

A spectacular award will be given to the Cub Pack and BSA Troop that is declared the “Most Spectacular Spartans” at the GMC2020

PROGRAM & ACTIVITIES

DIVISIONS & AWARDS

Each Spartan will be measured and placed into their respective divisions according to rank/Age on May 16, 2020;

BSA

Age 13 and under	“Charging Bulls”
Age 14 & 15	“Mad Buffalos”
Age 16 & 17	“Mighty Beasts”
Age 18> (Registered)	“Senior Senators”

Cub Scout Divisions

Lion Cubs	“Courageous Lions”
Tiger Cubs	“Crouching Tigers”
Wolf Cubs	“Howling Wolves”
Bear Cubs	“Grizzly Bears”
Webelos	“Angry Beavers”
AOL	“Rabid Foxes”

Each BSA and registered Adult participant will compete in the same obstacles for all BSA divisions, Cub Scouts will participate in their respective obstacles for all CUB divisions.

Each division winner will take home a trophy that most likely be displayed in a prominent location to prove to others that they were the ultimate Spartan at the GMC2020. This is great stuff and anyone that has ever been to the Victory Bogoree or Fall Cub Camporee can attest for the awards up for grabs that can only be described as “Wick’d Awesome”.

BSA AND ADULT PROGRAM

Each BSA Spartan will be measured and placed into 1 of 4 different divisions according to age on May 16, 2020. All birthday celebrations will be suspended until the end of the camporee

Competitions to include;

Spartan Carry – when a Spartan went to battle they were told, “Come back with your shield or on it.” This meant come back victorious or carried back. No Spartan was left on the battlefield. This is an individual BSA and Adult Division event.

The Shield of Xerxes – Persian King claiming to be a GOD can only be defeated by knocking down his shield. Do it and it will turn back the invading Army. Do it not and the army will pillage our homes and occupy our homelands for thousands of years. (No pressure, the fate of humanity relies on you!) This is an individual BSA and Adult Division event.

Chain of Custody – fellow Spartans have been captured and are clad in irons. Remove their heavy chains quickly before the Persian guards return. This is an individual BSA and Adult Division event.

Body Stacking – With so many bodies in the way there's only one thing to do with them, stack them up to make a wall. This is an individual BSA and Adult Division event.

"Mountain Pass" - Climbing up and over obstacles in test of balance and agility. This is an individual CUB, BSA and Adult Division event.

Attack of the Yeti – Every Spartan had great accuracy with his/her weapons. This is an individual BSA Division event.

Bone Yard – You must travel over a pile of bones to mount a surprise attack.. If you step on a bone it will make a loud “crack” and warn the enemy. This is an individual BSA and Adult Division event.

Swamp Assault – requires the strength of a bear, agility of a snake and the mind of a Spartan to get through this obstacle. Yours stealth skills and speed shall be tested on the field of battle. This is a BSA Regiment event.

The Great Chariot Race – We will have chariots that must be pulled by your group of Spartans over a rough course. The chariots are built to survive, will the Spartans? This is a Regiment BSA Regiment event.

Fire Jumping – Guaranteed not to be burned IF you're a good jumper. Since this was declared to be too dangerous for an activity, it will be a photo opportunity for units that volunteer to have photographic proof that they did it.

MERIT BADGES - TBA

CUB SCOUT PROGRAM “SPARTAN BOOT CAMP”

Weaponry Ranges

BSA and Adult Divisions Range Events

House of Spears – What's more dangerous than an outdoor spear range? An inside spear range! Just the very thought makes the Safety Committee tremble with fear. (Can I tell you a secret? Come to the House of Spears before it gets shut down by the Safety Committee. Shhhhh...) This is an individual BSA and Adult Division event

Battle Axe (Tomahawk) Throw – Sharp, fast and always fun! This will be done at the Spartan's Range area. This is for BSA & Leaders only event. This is an individual BSA and Adult Division event.

The program is modeled on events (as is a novel or Hollywood movie) on the activities of American Frontiersmen of the 1830s to provide a unique experience promoting the values of the Scout Oath and Law while including frontier skills and rendezvous life style into its theme. Frontier's Camp is run from Saturday, June 27th to Saturday, July 4, 2020

Mt. Norris Scout Reservation for Frontier's Camp

Food items can be purchased for Saturday’s lunch and supper as well as Sunday breakfast. Proceeds will benefit the Mt. Norris Scout Reservation to improve and enhance the Scouting experience. A menu of the food items will come out soon.

LOST AND FOUND

If you happen to find an item on the camporee site, please make a note of where it was found, who found it, and turn it into the headquarters area. If you have lost an item, you may check for it at the same location. Please have your Scouts inventory the items they bring to camp and then check their belongings before they depart for home. Items remaining after camp will be donated to charity if they do not have any indicators of who they belong to.

SERVICE ANIMALS

Pets are not allowed on the camporee premises. However service animals are welcomed. Please notify us in advance, so we are aware that a service animal is coming.

The service animal must be tethered (harness, leash, or other tether), unless, because of a disability, the handler is unable to use a tether, or a tether would interfere with the service animal's safe and effective performance of the work. If tethering isn't an option, the animal must be under voice control, hand signals, or other effective means.

The camporee staff are not responsible for the care or supervision of the service animal. The handler is responsible for these tasks, including care, feeding, toileting, veterinary care, etc. If a camper is a young child, or otherwise unable to manage the task of "handling," the handler may be someone other than the camper.

The camporee staff may ask the camper/camper family to remove the service animal from the camporee premises if:

- The animal is out of the handler's control and the handler does not take action to control it;
- The animal is not housebroken.
- The owner of the service animal is liable for this animal's actions

Note though, that if the animal is removed, the camper must be given the opportunity to continue to access the camporee services or activities without the service animal present.

If you have any questions or concerns regarding service animals or accommodations please notify Scott Herring at s_j_herring@yahoo.com

The Check-In / Check-Out procedures will be sent out 2 weeks before the event. If you have any questions, please contact Kween Kristy at [***k_walker333@yahoo.com***](mailto:k_walker333@yahoo.com)

COLLECTIBLE PATCH SET

ON SALE NOW!

Only

\$40

Full-Sized Council
Shoulder Patches

(Image is smaller than actual size)

This is the GMC2020 Patch Set. It is **8 inches in diameter** and it is AMAZING! Proceeds from this patch have helped reduce the cost of the registration fees for the event. They are on sale NOW for a limited time.

The center patch is over 6 inches wide and features the iconic Spartan shield with the date and event details. It is surrounded by 5 Official Council Shoulder Patches (that have been approved by BSA Nationally HQ) that pay tribute to the Spartans and the 4 encampments;

- “Molon Labe” – The Spartan’s reply, “Come and take them”
- Camp Leonidas – BSA Boy Troops & Leaders
- Queen Gorgo’s Village – BSA Girl Troops & Leaders
- Spartan Boot Camp – Cub Scouts & Family Camping
- Council of Elders – Committee and Council Staff

A patch set this size and this awesome usually sells for \$60-75. We are extremely excited to offer you the “GMC2020 Patch Set” price for the **low price of \$40.00.**

Any Scout or Leader would be proud to wear this patch set sewn together on a vest or jacket. But the really cool thing is the set has 5 Official Council Shoulder Patches and any one of them could be used on the Class A uniform shirt. How many BSA patches has a figure of a woman? This may be the first!

This is also a great way to express appreciation to a Scout Leader for all that he/she has done. The GMC2020 Patch Set in a nice picture frame would be a treasured souvenir and hung proudly in any Scout Cave.

There is a limit of 30 GMC Patch Sets per order (however nothing says you can't place more than 1 order) 😊

We cannot promise that there will be any available at the event, so ordering now will guarantee that YOU get yours. Don't be that guy or gal that wishes they would have ordered them.

The order form is enclosed. There are 3 ways to pay:

- Checks payable to “Green Mountain Council BSA”.
- GMC units can pay through their Unit Account (with Leader Authorization)
- An easy one-time payment on your credit card
