

# Attend the Green Mountain Council All-Council Summit

**Saturday, September 7 • 9:30AM–2:00PM**  
Registration begins at 8:30 AM  
Montpelier VFW – 1 Pioneer Center

**Who** should attend? Everyone!

- All unit leaders: Cubmasters and Scoutmasters and Assistants, Crew and Explorer Advisors, Den Leaders and Assistants, Unit Committee Chairs and committee members, Chartered Organization Representatives
- District leaders and their committee members for Training, Advancement, Activities, Camping, Membership, and Finance updates and information
- District Chairs, District Commissioners, Unit Commissioners, Roundtable Commissioners
- Council Professionals, Council Board members, and Council Committee members
- Interested parents who want to learn more about Scouting and how it can better impact his/her son or daughter and their community

**Why?** **Consistent messaging and communication is critical to the success of any organization.** With the future of roundtables in limbo, we want to gather everyone a few times a year to cover a number of topics we think everyone will want to hear and can relate. In addition, there is so much happening right now in the Boy Scouts of America at the local, district, Council, and National level that it's important we come together in the sharing, to ensure you get accurate information and to give you a chance to ask questions.

## **Let's gather our Scouting family together to share:**

**What?**

- Update on Family Scouting in the Boy Scouts of America
- *A vision of the future: GMC's 2021–2024 Strategic Plan. We want your input on what the priority goals should be for the next 5 years.*
- "Scout Me In," the theme for our Fall Membership Recruitment Campaign
- New recruitment and retention strategies supported by National BSA
- The latest on Scoutbook and how it can help improve communication at all levels
- Summer camp review
- And much, much more!

### **Plus**

- Meet other leaders from around the state who
  - share in your challenges and frustrations, and find solutions
  - can answer your questions quicker than an online search.

**No Cost!**

- Lunch: Hot dog BBQ (provided by Summit staff), please bring a side dish to share
- Door Prizes!

Don't miss this! Block off Saturday, September 7th on your calendar, and share with others in your unit. Carpool, and enjoy the windshield time together.
