

PERSONAL EQUIPMENT LIST

This is a suggested list of equipment for an enjoyable stay at camp. It does get rather cool in the evenings and each Scout should be prepared for this. Also, footlockers are recommended over duffel bags and packs, as they are easier to keep organized, can be locked, and may slide right under the bunks. It is a good idea to label items with your name and troop number.

<p>A note on swimwear: Swimwear should be “modest and functional”. The activities that Scouts participate in at the Waterfront during summer camp require swimwear that will provide comfortable movement and that will remain reliably in place as intended. If there is any question please see the Camp Director.</p>
