

# POW WOW CLASSES FOR 2018

## LEADER TRAINING

- Den Leader (William Kett)
- Cubmaster (Marc Poulin)
- Fundamentals of Training (Leslie Sanborn)
- Pack Committee (Jeremy Schrauf)
- Scoutmaster Specific (Ken Bell)
- (Youth) Den Chief (Kristy Walker)

## SKILLS

- CPR – (Paul Fontaine) Half day and prerequisite / additional cost. ½ day
- Cooking in the Outdoors – (Brian Fortier) Learn the basics of outdoor cooking and the use of different cooking utensils.
- Fire Building – (Mark Gunkel) Lighting a fire is only half the battle. Learn the way you build a fire - that is, how you arrange the wood.

**THANK YOU!**

- First Aid - (Shannon McCullen) Be prepared if an accident happens on a trail or in the woods.
- Keeping Warm in Cold Weather – (Brian Fortier) Keep your boys safe and warm when exploring the outdoors.
- Knot Tying - (Ann Marie) For centuries, knotsmanship has been passed down from generation to generation. It's an essential skill whether a man desires to hit the high seas or scale a high mountain. Heck, knots come in handy when you're just working around the house.
- Lyme Disease – (Fred Lord) Learn how to prevent, treat, and diagnose this illness while on an outing.
- Set up a website – (Eric Benedict) New tools have made creating a web site easy. We can help your unit have online presence.
- Teaching Whittling Chip – (Ann Marie) Learn how to effectively teach Whittling Chip to your youth.
- Using Facebook/Twitter - (Cameo Lamb) Learn how to setup and use the online services effectively.

## PROGRAM HELPS

- Annual Planning - (Vicky Whitehill) Scouting starts with a good plan. Learn how to create a FUN and exciting experience for your boys.
- Autism Awareness - (Vicky Whitehill) Gives you strategies to work with autistic boys.

- Blue & Gold – (Austin Barber) Get great ideas to help plan your next Blue & Gold event.
- Financial Tracking - (Eric Benedict) Learn how to keep your unit finances in order
- Fireside Chat – (Ed McCollin) Do you have questions about Council and how they can help you and your unit? Come sit and talk to the Vermont BSA Executive Director.
- Food Allergies – (Lance Loiselle) How to manage food allergies, alternative foods, and how to react to a reaction.
- Leaders Guide to Drug Abuse – (Dr. Lord) Learn what to look for and how to deal with this issue
- How Do I Get Those Knots? – (Mark Gunkel) The best way to keep adults engaged in your unit is to acknowledge your volunteers. Learn how to help your adults achieve BSA awards.
- Recruiting Scouts and Leaders – (William Kett) Get new ideas to increase your pool of adult helpers and youth.
- Scoutbook – (Jeremy Watarz) Learn how to use this free BSA unit recordkeeping system.
- Skits/Songs – (Judy McCullen) Put some excitement in your meetings! We can show you how!
- Stem / Nova – (Brian Garland) Young people need strong science, technology, engineering, and mathematics (STEM) skills to compete in the world market. The BSA NOVA Awards program is designed to stimulate interest in STEM-related fields,
- Trauma-Informed Scouting - (Vicky Whitehill) How to deal with a youth who experienced threatening or dangerous events. Their behavior can be challenging.

- Arrow of Light to BSA Scouts Trail – (Marc Poulin) Boy Scouts is a boy lead program. This is different than the Cub program. Find out how you can help your families make the transition.

the money!

- Working with Disruptive boys and girls – (Dr. Lord) This session will identify conditions and situations that require understanding and different management techniques as well as some pointers on how to deal with challenging behavior.
- Welcoming Girls to Scouting – (Dave McAllister) We can help you with the challenges of starting a new girl's den. And preparing them for Scouting BSA.
- Year-Round Fundraising – (Dave McAllister) Keep your Pack moving and provide exciting adventures for your youth. Learn how to keep your Pack in
