

Recognition:

Although Wood Badge is a training course, not a recognition program, completion of Wood Badge does serve to recognize leadership. Recognition for the successful completion of Wood Badge consists of a parchment certificate, a distinctive Wood Badge neckerchief with a woggle and the Wood Badge (two wooden beads worn on a thong around the neck.) The Wood Badge is recognized worldwide as a symbol of practical training and leadership experience. There are two parts to a Wood Badge Training Course in the Boy Scouts of America, the practical course and the application period.

The Practical Course:

For two 3-day weekends, you will live, learn and work with other Scouters while being exposed to the leadership skills applicable to the development of both adults and youth. Through this living and working experience, you will develop knowledge and practical understanding of these leadership skills. During this time you will develop a set of goals to be completed in the next 6 to 18 months called a "Ticket."

The Application Period:

During the application period you will apply the leadership skills that you have learned by working towards the goals (your "Ticket") established during the practical portion of the course. Throughout this period, each person is assigned a Ticket Adviser who acts as a resource, a counselor and a Scouting Friend. Your adviser will help you complete your Ticket and accomplish your goals in Scouting by applying what you have learned. A maximum of 18 months is allowed between the practical experience and final certification.

Uniforms:

The Wood Badge Course is a uniformed activity. The uniform you wear will be that which is required for your primary registered position in your unit, District or Council and will include shirt, pants (or shorts,) belt and socks.

Registration:

The total cost of the course is **\$325**. **EARLY-BIRD DISCOUNTS** will be given to those who register and pay the course fees in full, by this schedule:

- Register and pay in full by Dec. 31, 2018, receive a **\$50 discount** for a total fee of **\$275**.

Money a Question

Some dedicated Scouters find the financial obligation of training a true burden. Help is available through several sources. Be sure to check for this support from your unit, sponsoring organization or even your employer. A limited amount of scholarship funds are also available. If needed, please contact the Course Director.

Tax Deductions:

Some costs related to participating in this course may be Federal Income Tax deductions such as costs of uniforms, transportation, course fees and meal costs away from home overnight. Please consult your tax advisor.

IN July of 2019

There will be a 30-day PRE-Course meeting (location TBD) to answer all of your questions and concerns; to explain uniforming; to take pictures and to give you an overview of the course. Attendance at this meeting is highly encouraged. Attendance all six days of the course is required.
