

Silver Beaver Award Nominations

Since the 1930's when it was first introduced by the National Council of the Boy Scouts of America, the Silver Beaver Award has been the highest award a Council can give to its Scouters. It is presented for outstanding service to youth within the Council by a registered Scouter.

Nominations are due by March 2, 2018 at the Green Mountain Council Service Center. If you wish to nominate someone, you must use the latest nomination form, downloadable at:

www.scouting.org/filestore/pdf/92-103.pdf

This is a modifiable PDF. Registration information required can be obtained from Janet Ruggles-Power at the Green Mountain Council Service Center, 802-244-5189.

If you are thinking of nominating someone, you can check to see if they already have the Silver Beaver, “click here” for a current listing of recipients.

If you previously nominated someone and they did not receive the award, they may be re-nominated. If you plan to do this, please submit a new updated nomination form.

The presentation of the award(s) will take place at the Green Mountain Council Recognition Dinner and Annual Meeting on Sunday, April 29, 2018. The dinner is set to be held at the Elks Lodge in Barre, VT beginning with dinner at 2:00 PM.

Yours in Scouting,
The Green Mountain Council Advancement Committee
